I got to Denmark within 4 days, decoy. I've been speculating already and trying to make a dyslevinator very good, after it the truth says no more straightener.

I've got my thick uncontrollable hair with him amazingly!! Very soon, the hair after this dryer just shines! I bow my head against this model 😊!

The device is worthy of praise, fast, conveniently stored. Especially liked its texture and speed 😊

I got to Ireland in 7 days. I am unrealistically satisfied with the dryer!!! It's a pity I'm buying out now, I'm going to order another one. As soon as I show up at the sale, I'll buy my mother a gift 😊
Maybe you'll be able to show up for sale before Mom's Day?!

I am very picky about devices and appreciate the quality, I received a recommendation from a friend in Lithuania that I ordered it for myself in Sweden 😊
The truth is, I'm very happy with the product. And thanks for the gift
